DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

Commissioner for Patents

The reply filed on 25 April 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In response to the requirement for restriction, applicant has elected figure 32 readable upon claims 11-14.

However, the examiner disagrees with the claims selected by applicant that are readable upon figure 32. Therefore the examiner requires the applicant to re-elect figure 32 with claim 19 being readable or to elect a new figure readable upon the proper claims.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
